

Limes Farm Junior School- Image Consent

We may wish to take images of activities that involve your child and use them for displays inside or outside school, in publications and on web/social networking sites managed by us, or with our permission, others associated with us. This may include pictures that have been drawn by children. Images that might cause embarrassment or distress will not be used nor will images of your child be associated with materials or issues that are considered sensitive. You can ask to see any images that we hold of your child at any time.

Photography or filming will only take place with the permission of the head teacher, and under appropriate supervision. When filming or photography is carried out by the news media, they are exempt from the data Protection Act 1998, but it is our policy that children will only be named if there is a particular reason to do so (e.g. they have won a prize), and no other personal details will be given out. However, it is important to understand that unless your child is part of a large group, it is likely that the media will require your child's full name before an image is used. If you give your consent to this, you should be aware that these images and your child's name may appear in local or national newspapers and worldwide online.

Please carefully consider the consent descriptions in the form below and indicate those which you **do** consent to by initialling beside each one. Where you do not consent, please leave the space blank.

If you wish to attend school functions and take images of your child, please be sensitive to other people and try not to disrupt concerts, performances and events. Please also bear in mind that you may capture other people's children and you should ensure the images you have taken are appropriate. If you or your child intends to share such images you should only share them publicly with the express permission of the parents of everyone in the images. Please also note that we ask all parents and children to support our approach to E-safety and not upload or post to the internet any pictures, video or text that could upset, offend or threaten the safety of any member of the school community or bring the school into disrepute.
